**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more competition for internet and telephone providers. AT&T is a rip off company. Sonic is much more affordable and helps all of it's customers. They are also honest unlike AT&T. Our family needs broadband for business, school and home. we have friends that live in a rural and they desperately need broadband.
